A LITTLE ABOUT THE NETTLE & RYE

'Welcome to the Nettle & Rye'

Following on from the success of our sister pub The Famous Royal Navy Volunteer, we decided to bring the craft beer industry to the heart of Clifton.

Whilst there are many similarities to 'The Volley', such as our fresh, seasonal menu, created by passionate chefs with ingredients from local producers, we also like to do things a little differently...hence our magnificent games room upstairs!

However, one thing will always remain the same, and that is our passion for great beer made by amazing breweries all over the UK.

In this book, you'll find information on spirits, wines and other bits, so have a flick through to find something you'd like, or just ask a member of staff to help you explore our drinks list and find something just right for you.

We pride ourselves on supporting only UK craft beer and UK spirits producers, so we can bring you the widest selection of craft beers in Clifton, but also with delivering a fresh, tasty menu & exceptional spirits list to compliment this passion.

Our beers and ciders change constantly so we are always happy to offer tasters, or if you can't decide, let the staff help you find a beer you'll love!
